

Coins for Conservation

Coins for Conservation

Coins for Conservation is a special program for the California Department of Forestry and Fire Protection which allows for direct donations to fire prevention and conservation education programs.

All Donations are Tax Deductible

Community service clubs and organizations, schools, youth groups, private business/industry and individuals can make an impact on the quality of fire prevention and conservation education programs throughout California. Your donation will be used to improve and enhance California's precious natural resources and to protect the lives and property of the people who live, work and play in California's wildlands.

Donations can be used to finance the following types of fire prevention and conservation education activities:

- Fire Prevention Activity
- Additional fire prevention and conservation education material for public distribution
- Roadside fire prevention signs, bumper stickers, decals, special signs for recreation vehicles and the trucking industry
- Production of radio and TV fire prevention messages
- Smokey Bear Museum
- Purchase additional Smokey Bear costumes
- Fire Prevention and conservation education research projects
- Materials necessary to build fire prevention and conservation education exhibits, parade floats, and other public displays
- Conservation projects
- Red Flag Fire Alert equipment, including CB radios, magnetic signs, and Red Flag material
